PETITION UNDER 37 C.F.R. 1.48(f)

MS Missing Parts
Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Dear Sir:

Applicants enclose herewith a declaration executed by the actual inventors of the invention described in the presently claimed application. Given that an executed declaration has not yet been filed in the present application, Applicants' submission of a declaration executed by the actual inventors is believed to correct inventorship of the present application.

REMARKS

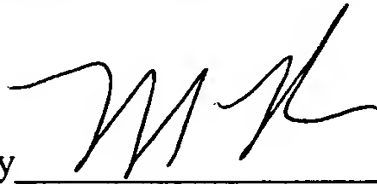

This petition is submitted in accordance with 37 C.F.R. 1.48 (f). As reflected by the enclosed executed declaration and application data sheet, the actual inventors of the invention described and presently claimed in the application are James S. Huston and Hermann Oppermann. The additional two inventors (Houston and Ring) were listed in error, are not the inventors of the invention presently claimed, and thus have not executed declarations for this application. Accordingly, Applicants' submission is believed to establish the correct inventorship of this application and to constitute a complete reply to the outstanding Notice to File Missing Parts.

CONCLUSION

Applicants submit no fee is due for the filing of this petition. Should any fee be required, Applicants hereby petition for same and request that the extension fee and any other fee required for timely consideration of this submission be charged to **Deposit Account No. 18-1945 under order No. CIBT-P03-130**. If any clarification of the above response would facilitate prosecution of this application, Applicants respectfully request that the Examiner contact the undersigned at 617-951-7000.

Dated: September 3, 2004

Respectfully submitted,

By
